

TAYLORS LAKES BASKETBALL CLUB

NEW PLAYER INFORMATION - 2011

Welcome to the Taylors Lakes Basketball Club.

The Taylors Lakes Basketball Club is a member of the Taylors Lakes Recreational Club. It is run by a committee of volunteer parents who strive to offer all local children, the opportunity to play basketball. It is a great opportunity for children to learn new skills, learn about team work and make new friends. We hope the following information will answer many of the questions you may have.

Committee

We meet approximately every second month and new members are always welcome. Our aim is to work closely with the coaches to support them in any way possible to encourage the children and to promote the game of basketball.

Seasons

Basketball runs for two seasons. Summer Season 1 (terms 4 & 1) runs from October to March and Winter Season (terms 2 & 3) runs from April to September. There are generally no games played during school holidays.

Training

All players are required to attend a training session once a week. Training is held from Monday to Thursday at either the Taylors Lakes Secondary College hall, on Parmelia Drive, or the Copperfield College hall, on Kambalda Circuit, Kings Park. You will be notified about training times closer to the start of the new season. There is no training held during school holidays.

Cost

SEASON SUBSCRIPTION: \$85 (Second child and thereafter \$75.00)

COST FOR UNIFORM: \$40 for singlet and \$40 for shorts

(Contact Liri on 0400 449 233 to arrange uniform)

The season subscription which is payable at the beginning of each season includes the cost for the hire of the halls for training.

Games

All games are played on Saturday. Under 10 games are generally played at 8.00am. Under 12 games generally follow the under 10 games and so on. All games are played at one of the venues listed at the bottom of the page. At the beginning of each season you will be given a fixture outlining times and venues for each game. Each player is required to pay approximately \$5 per game. This money is used to pay for the team sheet for each game.

Coaching

Each team generally has one coach who takes on the task of coaching the team at training and during the game. Coaches are generally volunteer parents who have some basketball knowledge. Coaching clinics are available through the Keilor Basketball Stadium. The most successful teams are generally those who have a strong support network. Parents can support their coaches by volunteering to be a team manager (filling in the team sheet each week and collecting money), scoring, and/or assisting with coaching.

Game Venues

Games are held at any of the following venues.

KEILOR STADIUM (Courts 1, 2 & 3)
