VICTORIA POLICE

A DRINK DRIVE PARTNERSHIP

*How  
good  
a mate  
are you?*

*Looking after our mates*  
is an alcohol education session with a simple, effective message about responsible drinking and driving and looking after our mates.

## *Do you know?*

- 25% of drivers and riders killed are over .05 BAC
- over 1/3 of all drivers killed while over the limit are aged 18 to 25
- 25% of drink drivers are re-offenders
- 30% of pedestrians killed are over .05 BAC

## *About the session*

The one hour session features a PowerPoint presentation, demonstrations and guest speakers.

The session is tailored to suit any business, organisation, sports club or youth group.

Audience participation is encouraged in all sessions.

Participants will receive:

- a pocket sized card 'guide to responsible drinking and safe driving'.
- Practical ideas for responsible consumption and serving of alcohol.
